Expected Outcomes

Children will develop empathy, become more aware of emotional expressions in others, and feel confident in caring for younger siblings or peers. They'll also understand that love is expressed in many different ways—even in cries.

Applicable SDGs

- SDG 3: Good Health and Well-being
- SDG 4: Quality Education

SDG Explanation

- SDG 3: Promotes mental well-being and emotional connection within families.
- SDG 4: Supports early learning around emotional cues and interpersonal skills

ABOUT ZAMASAMA

Zamasama is a nonprofit platform that brings together stories from around the world to help children discover that beneath our differences—of culture, language, or belief—we share the same hopes, joys, and dreams. Today's children are tomorrow's citizens, and the responsibility of building a more peaceful, tolerant, and empathetic world lies with them. That's why it's vital to instill these values early—through stories that help them rise above the biases they inherit, and see diversity as a strength that unites us all.
